## **BUTTERFLY RELEASE TO REMEMBER....**

### **AIR IS ABOUT LIFE.**

IT IS ABOUT EDUCATION TO PRESERVE LIFE.  
AIR IS ABOUT REMEMBERING THOSE WHO  
HAVE GONE TOO SOON.

WE LEARN FROM THEM AND THEY  
INSPIRE US TO CONTINUE OUR MISSION OF  
STARTING THE CONVERSATION TO SAVE OTHERS.

**On Saturday, May 16 at the Miki & Friends: Walk for AIR,  
we will be hosting a community Butterfly Release  
At Mercer County Park East, West Windsor, NJ.**

NOTE: Recent controversy--brought about by media reports and the statements of some butterfly enthusiasts--has resulted in questions about butterfly releases and whether they are harmful to the environment or to the wild butterfly population. In order to ship butterflies across state lines for release, breeders must obtain a permit from the USDA-APHIS-PPQ-SS (United States Department of Agriculture, Animal and Plant Health Protection Service, Plant Protection and Quarantine, Scientific Services). There are strict guidelines and the USDA permits butterflies to be released only in states that have appropriate habitat. The butterflies used in our release are indigenous to New Jersey.
